Re: Robert M. Gallegos

Dear Superintendent McCarthy:

The Illinois Law Enforcement Training and Standards Board is mandated under Public Act 91-495 (50 ILCS 705/6.1) to ensure that law enforcement officers practicing in Illinois are free of all felony and certain misdemeanor (occurring after August 13, 1999) convictions.

Records the Board has obtained indicate that the referenced officer employed (or formerly employed) by your agency sustained a conviction deemed to be a decertification under the Act.

This notice constitutes a decertification of the officer's previous certification and ability to practice as a law enforcement officer in Illinois. The statute additionally provides that an officer, who continues law enforcement practice after receiving a conviction, commits a class 4 felony.

Board staff will be pleased to assist you with any questions associated with this notice.

Sincerely,

Kevin T. McClain  
Executive Director

## SUMMARY

On 6 February 2012, Reporting Investigator (R/I) was assigned CL# 1051463. During the course of the investigation, R/I reviewed the initiation report and supporting documents included in the case file that set out the allegation

The accused, who has been decertified as a Law Enforcement Officer (CL# 1051511), was ordered by the reporting party Sergeant Kenneth JOHNSON Star # 1743 to appear at the Human Resources Division on 24 January 2012 at 1500 hours for the purpose of signing a Personnel Action Request (PAR Form) to facilitate his decertification. However, the accused officer failed to appear as directed (4, 5, 6).

In an attempt to contact the accused officer, R/I obtained his last known address as provided by the Department's Human Resources Division. On 28 February 2012, R/I prepared and sent a letter via certified mail to the accused officer informing him that he is the subject in said investigation and to request an interview in response to the allegations. Per the United States Postal Service (USPS) Track and Confirm the letter was undeliverable as addressed. Attempt to contact the accused has met with negative results (10, 11).

Based on the information obtained in this investigation, the R/I finds that substantial evidence exists to sustain the allegation against the accused officer.

Dear Superintendent McCarthy:

The Illinois Law Enforcement Training and Standards Board is mandated under Public Act 91-495 (50 ILCS 705/6.1) to ensure that law enforcement officers practicing in Illinois are free of all felony and certain misdemeanor (occurring after August 13, 1999) convictions.

Records the Board has obtained indicate that the referenced officer employed (or formerly employed) by your agency sustained a conviction deemed to be a decertification under the Act.

This notice constitutes a decertification of the officer's previous certification and ability to practice as a law enforcement officer in Illinois. The statute additionally provides that an officer, who continues law enforcement practice after receiving a conviction, commits a class 4 felony.

Board staff will be pleased to assist you with any questions associated with this notice.

Sincerely,

Kevin T. McClain  
Executive Director
